Thursday, March 5th is St. Joseph's Day. We will celebrate this special day with a traditional altar is an Italian tradition that honors St. Joseph because of a general devotion to him, but more often an altar is built to thank St. Joseph for his general intercession in granting a particular request. The altars usually consist of blessed bread, many types of seafood, vegetable dishes, fruit and sweets. We invite anyone who would like to prepare a dish for the altar to do so. Susan

Frugé and the room mothers are coordinating this event, please contact them if you would like to help.

Preschool Dads will be honored on this day. We will be having a special breakfast for the dads and their children for refreshments from the altar at 10:15 a.m. All dads are invited to come at 10:15 a.m.

We hope all Dads can arrange to spend this special time with their child. If you cannot attend, we suggest a grandfather, uncle or friend at-

Mardi Gras Parade.

Lent

Lent, like Advent, is a time of waiting. During Lent we prepare for the supreme gift of love, when Christ conquered death on the cross. Christians through the ages have kept Lent as a time of penance. Young children can also be taught that this is a season of special love. Because

Jesus loved us enough to die on the cross for us, we can follow His commandment to love and serve our neighbor. Talk with your children about ways they can help others. Make specific suggestions, such as sharing their toys with their siblings and friends, helping Mom by picking up their toys, etc.

Spring Pictures

Spring pictures will be taken Wednesday, March 11 and Thursday, March 12. This is a free dress day. Spring pictures are not taken in school uniforms. The pictures are available for purchase but this is optional. You are not obligated to buy the pictures.
