Thanks for a Great Year

As our school year comes to a close, we want to thank you for your support throughout the year. Our parent volunteers have always played a unique part in the success of our program. That fact was especially evident this year, as you took on a multitude of tasks so willingly. A special thank you to our room mothers. You did a marvelous job with our class parties and special events.

Good luck to all our preschoolers and their families who are moving on to kindergarten. For those of you returning next year we look forward to having

you back to continue in the success of our program.
